About The Photography

Here are some questions and answers about the photo taken at the Virtual Meet & Greet session:

Can I take a special posture / position during the photo shoot with the guest?

Positions / positions must be approved in advance by the guest. Please comply with his requests.

Is the photo on paper?

No, it is a digital photo obtained by taking a screenshot of the ZOOM session with the guest of honor. It will be sent by email to the address provided by you on the specially designated page (see above).

How can I be dressed?

Your photo will undoubtedly be a memory for years to come, so we suggest you think carefully about how you will dress. We draw your attention to the fact that white does not look good in photos.

How can I participate in Virtual Meet & Greet?

The login details for the ZOOM session will be present on your client account at the festival website. It is important to come to the meeting online in advance, any delay will lead to the loss of participation in the session. Refunds are NOT offered in case of non-participation in the session.
